Dear FCCS:

I had the privilege of distributing the Thanksgiving food boxes, and I'd like to share with you that the families were so grateful for the gifts.

Sandy is a grandmother who is taking total care of her four grandchildren because their mom has abandoned them and their dad is in prison. Sandy was planning to cook some chicken and tell the kids it was a turkey. She simply did not have the money; what a blessing this was for her!

Josie has just been laid off from her job. She has two sons, a daughter, and a granddaughter living with her. They were so happy to receive the gift.

Lorie and her four daughters have been abandoned by Lorie's husband. She is having a hard time; the gift made her smile!

These are a few of the people you touched with this Thanksgiving gift. I just thought you'd like to know. Thank you so much for being a blessing!

Sincerely,

Mr. Cantu
