## Mission Focus 2015-2016

---

### HELP CARLOS GRADUATE FROM HIGH SCHOOL

- ◆ 3 years of sponsorship = \$6,300 raised by FCCS students, staff, and families
- ◆ Recent note from Pathlight staff: "This last school year has been a real time of growth for Carlos both at school and in maturity. As school keeps getting more difficult, he has discovered the value of working hard. His attitude has changed from just plowing through the assignments to now being excited for school to restart. You and your students can be very proud of him."
- ◆ 2015-2016 Goal → \$2,100 for his senior year
